

Taste & Tradition

We set up Jasats in 1995, in the hope of introducing halal food to the world.

Jasats started the revolution of making amazing halal pies, following the simple formula of using high quality fresh ingredients sourced from local vegetable & dairy farms & quality grade fresh British Meat, and not a hydrogenated fat or preservative in sight!
So our pies are as healthy as pies go.

We didn't stop at just making pies – with our winning formula, jasats now have a whole range of halal food products, ranging from pasties, sausage rolls and samosas to family sized meals.
